Wait List Information

The wait list for SPop starts over again each year for Grades 1 to 5 beginning on February 1, 2011, at 12 AM. Information is NOT carried over year to year. If you do not reapply for the wait list each year, your child will not be on the wait list for the following September. South Poplar Traditional is FULL, so on February 1, you can apply to have your child's name put on our wait list for the following school year. Priority is given to siblings of students in a Traditional school. Sibling is a brother or sister (to the same mother/father), not a cousin. You will be contacted by the school if a spot becomes available for your child (by June at the earliest, possibly not until Aug/Sep). Please note that in-person/phone in applications will be accepted after February 8th and placed AFTER the on-line applications. Please come to the school with your child's TERM 2 Report Card (in Mar/Apr) so we can take a copy of it to add that to your child's wait list application. Your application is NOT COMPLETE until we receive your child's report card. Please be prepared to fill out a short questionnaire (to be added to your child's application along with their report card) when you come in Mar/Apr. Please call the school office at 604 853-1845 if you have any questions.
